Personal Giving Goal:

Fundraising Goal:

Opportunity	Date	Give	Raise	Participate (attend, on program, host committee, make asks)	Comments
Friends of EBMC	Monthly				If you raise or lower this amount during the year, erase formula and enter yearly total in C12
	Yearly total	0			
One Time Donation	any time in the year				This could be instead of or in addition to being a Friend of EBMC
Dharmathon	March 1 through April 8				Both for fundraising and optics, it is important for all LSangha members to have a fundraising page. Support provided. Give = what you will donate to yourself or others. Raise = your goal for your page.
Match Pool	July - August				You can give, raise (make asks that result in donations) or both. We need at least 3 board members who are willing to make some asks (talking to 1-3 people each). Training and support provided.
10th Anniversary Event Giving	November 18				"Give" = tickets you will buy, incl Reception. "Raise" = tickets you will influence others to buy (incl Generosity Tix)
10th Anniversary Event Participation	June 1 - November 18				Serve on Host Committee, Participate on Program, Attend
Other	any time in the year				A fundraising approach that you have the time/resources to do/can commit to following through on, that will not require substantial staff time to achieve. For instance, in addition to your other obligations, it would be easy for you to host a house party and raise \$1000. Or your best friend owns a hotel and will donate 5 free nights for out-of-town speakers who need to be housed."
